

Code of conduct for coach travel

The following expectations have been drawn up in consultation with Student Voice:

Students are expected to:

Always carry their Kura coach card to register onto and off the coach.

Be mindful of their own and other's safety. They must wear seat belts until they get up to get off the coach. National seat belt regulations mean that a failure to do so could lead to a fine of up to £500.

Be aware that they must not board a coach unless they are booked on it. If it is an occasional / one-off journey parents must have contacted Kura at piperscorner@ridekura.com or 0203 967 0867 to book a seat.

Be considerate of others by turning up promptly and registering quietly (Prep) so the coaches can leave on time.

Be respectful of the coach environment and must ensure no litter is left behind and so must not eat or drink on the coaches - this includes chewing gum.

Be considerate to others by not shouting, singing or swearing on the coach or listen to music without headphones.

Be inclusive towards other girls. To ensure this no one may save seats and all girls have an equal right to sit where they like.

Be respectful of the coach prefects who will be identified by a coach prefect badge.

Be ambassadors for the school and so they are expected to behave as they would at school and be in full school uniform.

Ensure they follow guidance about health precautions.

Pupils who cannot abide by these expectations will be reported to the Deputy Head (Pastoral) and there will be consequences for their actions. If pupils cannot abide by this code the final consequence will be that their parents are asked to find other means for them to travel to school.
