

Transport Code of Conduct
September 2024-2025

Important Information

Transport Charges – All charges for transport will be applied to your billing account at the end of each term in arrears and charged at the prevailing rate. Details of the transport costs can be found on our website. No refund will be due if the bus is late or unable to run due to an event beyond the school's reasonable control, including (without limitation) acts of God, natural disaster, any form of Government intervention, war, hostilities, rebellion, terrorist activity, local or national emergency, sabotage or riots, and floods, snow, inclement weather, fires, explosions, or other catastrophes, power shortages and computer viruses.

Please be aware that transport costs will be charged in full, regardless of the number of times the service is used, as you are reserving a seat on the minibus.

Ad hoc – Please note that we do not accept Ad hoc bookings, except in the case of exceptional circumstances. This will need to be approved by the school prior to bookings being made.

Routes – Please note that our minibus routes are finalised for the upcoming academic years and no further additions will be considered at this time. We utilise centralized locations to accommodate the needs of as many families as possible.

Absences – On the day of travel, please communicate any absences via the Kura App at least 30 minutes prior to departure time.

Morning Pick Up – All of our buses run to a strict timetable. The timings for each route can be found on our website. Please note that the times stated are departure times, therefore we ask parents to arrive at least 5 minutes before the departure time to avoid missing the minibus. We are unable to wait for late pupils.

Afternoon Drop Off - The timings for each route can be found on our website. Please note the times stated are arrival times, therefore we ask parents to arrive at least 5 minutes before the advertised time to ensure that someone is there to meet the pupil. If you are unable to meet with your child(ren) and wish to give consent for them to be dropped off in your absence, please ensure to contact Kura on moonhall@ridekura.com

Medical/Contact – Please ensure that you are updating the parent portal with contact details and any specific medical conditions. Any relevant details, such as medical conditions, will be shared with Kura and our drivers to ensure the health, safety, and welfare of your child(ren). If we feel the medical condition should be noted on the Kura app, we will request consent for this to be done.

Health and Safety – All pupils must remain seated, facing forward, always wearing their seat belts, and behave in accordance with the school Behaviour Policy (which can be found on our website).

Mobile Phones – Mobile phones are permitted on the buses but should only be used for games and music (for which headphones should be worn). Phones must not be shared or passed around and must not be used to take photographs or to access any inappropriate images or materials.

Food and Drink – Pupils are only permitted to drink from their own water bottles on the bus (no sharing). No other food or drink can be consumed on the bus unless it has been provided by the school.

Personal Contact Details – To facilitate the transport service, Moon Hall drivers will have access to and retain personal information, including name and telephone contact details on the school issued handsets. Drivers will only use this information to contact you in the case of an emergency.

Safety code for bus passengers – please see below the safety code which all pupils must adhere to:

- ❖ Pupils must always wear seat belts and be facing forwards during journeys.
- ❖ Pupils should not move around or undo seat belts during journeys.
- ❖ Pupils should not be excessively noisy or play loud music games while on the buses.
- ❖ Pupils should not share headphones as this can be a safety risk.
- ❖ Persistent offenders of bad behaviour will be referred to our Executive Head, Mrs Catterson and may result in withdrawal of the place.

Cancellation – A full terms notice in writing is required to withdraw a pupil from the service. Failure to prove said notice will incur in fees in lieu being charged. If cancellation occurs during the term, you will be charged for the fees until the end of the current term.

Ongoing Transport Service – At the end of each academic year we will send out communications to parents within the summer term, detailing how to book onto the service for the following academic year. Booking windows open in June/ July and it is your responsibility to ensure that you book your child(ren) onto your preferred bus service. Please note that all bookings are done via the Kura app and is based on a first come first served basis.

By accepting a place on the bus service, you are agreeing to adhere to the terms set out. Failure to meet these conditions set out in this document will result in action which may include the temporary removal from use of the bus service without any rebate of charges paid. In the case of very serious offences, the school reserves the right to permanently exclude a pupil from the bus service.
