

# TRANSPORT CODE OF CONDUCT 2024 - 2025

We know that most students behave well on College transport, but occasionally the behaviour and actions of a few can make the journey unpleasant for everyone and can sometimes endanger other passengers.

We have a **Code of Conduct** because we want everyone to stay safe and travel in comfort. If you follow the guidelines your journey to college will be safe and enjoyable.

**To ensure that this happens we require all students to follow a few simple rules.**

If you don't keep to the Code of Conduct your parents or carers will be informed and you may not be able to use College transport anymore.

The College reserves the right to issue either a fixed term or permanent ban from using transport for those students demonstrating poor behaviours. If this happens, you are still expected to maintain your attendance record in order to pass your course and it will be up to you to find suitable alternative transport.

**THINK !! if you lose your place on College transport how will you get to College?**

**Accessing to Buses** – initially your **Student ID Card** is your pass onto the College buses.

Once you have enrolled, you will be invited to download and use the KURA / ZELO bus app on your mobile phone.

You will need to use your phone and scan on to the bus for each journey to and from College.

The bus company have up to date lists of passengers and know exactly who should be on each bus.

**How to be a good passenger:**

- Stay in your seat and keep your seat-belt on while the bus is moving - it is a legal requirement for you to have your seat-belt on where they are supplied
- Do as the driver asks at **all** times - Do **NOT** distract the bus driver, except in an emergency
- Treat the bus driver and other passengers with respect – we have a zero tolerance on bullying or disruptive behaviour

## **Driving and Parking on Campus**

If you intend to bring a car or motorbike onto campus, you will need to read and sign up to the Campus Parking and Vehicle Use Code of Conduct **before** you can bring your vehicle to College. You need to register your car with the College and provide details of the registration number.

If you are found to have breached either of these Codes of Conduct, the College will investigate the incident and it could result in you being excluded from travelling on College transport or parking on the College campus. If this happens, you are still expected to maintain your attendance record in order to pass your course and it will be up to you to find suitable alternative transport.

Once parked, cars should not be moved around campus unless for the purpose of leaving the site.

## **Transporting Peer Students and Visitors in Motor Vehicles**
